

Create a Legacy by establishing a Scholarship in Your Company's Name at the School of Your Choice

Can you make a difference in the life of a student by establishing a scholarship at the school or university of your choice? Absolutely! Today, more than ever scholarships are critical to young scholars seeking to pursue their dreams in our industry.

EDSF offers donors the opportunity to establish a **Legacy Scholarship** in the name of your company for as little as \$1000. As a **Legacy Scholarship** sponsor, your company can establish a scholarship with your specific criteria, such as a school or university of your choice or particular degree plans. EDSF will administer the scholarship including marketing the award within the industry; promoting the scholarship to students and universities; managing the application process; and selecting the scholarship award recipients through an industry committee.

Here is the best part, because of generous contributions from EDSF's Board of Directors, all administrative expenses are covered allowing **100%** of your donation to go directly to a student.

Your company will receive a thank you letter from the student along with their photo, recognition in press releases, a listing on the EDSF website as well as a plaque honoring your contribution.

It is easy to set up a **Legacy Scholarship** and a great way to recognize contributions made by a company or individual. For more information, please contact Brenda Kai at brenda.kai@edsf.org or 817-849-1145.
