

Scholarship Recipients for the 2008-2009 Academic Year

Thanks to the continuing generosity of our donors, EDSF was able to provide scholarships to 50 outstanding students for the 2008 – 2009 year. This year we experienced a 150% increase in the number of applications submitted over last year, and owe a special thanks to our Scholarship Selection Committee for their efforts in the difficult task of selecting the recipients.

Given the state of the current economy, the funding provided by our donors and the leadership of our Board of Directors is even more critical to our students. Thank you all.
