FOR THE LUXURY LIFESTYLE

As stated in the Robb Report magazine, a luxury lifestyle magazine that celebrates the best life has to offer:

*“Located at the tip of the Long Island tongue, Montauk is one of the brinier Oceanside retreat convenient to the Manhattinites who don't mind a two-hour drive. The sea breeze breathes modestly in Montauk, but luxury can be found here too, especially aboard the 65-foot Hattrick Yacht, the only exclusive charter yacht in Montauk Harbor, which can be chartered by up to six guests to bait and tackle striped bass, tune, shark, and whatever else is teeming off in Montauk's productive shores.”*
